### **KEY TERMS**

“**Equipment**” means the camera, drone, gaming console, SD Card, MicroSD, CompactFlash, memory stick, thumb drive, solid state drive (“SSD”), hard disk drive (“HDD”), external hard drive (“EHD”), tablet, mobile phone, or the SSD or HDD contained within a multi device/drive storage box, laptop/desktop, or other removable data storage device owned by you, an eligible dependent or the Sponsor Company and which stores yours or an eligible dependent’s personal data electronically. In the case of Hybrid PC’s in which there is both flash memory storage and a solid state and/or hard disc drive built into the product by the manufacturer, the flash storage drive will be included under this benefit as well. This benefit covers the personal data stored on your Equipment, and does not cover the repair or replacement of the Equipment.

“**OEM**” refers to the Original Equipment Manufacturer of your covered Equipment.

“**Pre-Existing Condition**” means an issue that existed with your Equipment prior to the effective date of this benefit.

“**Sponsor Company**” means the entity that purchases the Rescue Data Recovery Benefit on behalf of its employees or the owner of the Equipment on which personal data is stored.

**PRODUCT ELIGIBILITY:** This benefit can only be utilized for Equipment matching the type of Equipment described herein. Equipment eligible for coverage under this benefit must be purchased as new or factory-refurbished and manufactured for use in the United States (which at the time of purchase included a manufacturer’s original or factory-refurbished warranty valid in the United States). **IMPORTANT NOTE: ANY AND ALL PRE-EXISTING CONDITIONS ARE NOT ELIGIBLE FOR COVERAGE UNDER THIS BENEFIT.** There is a one (1) day waiting period between the date this benefit becomes effective and the date that data recovery coverage under this benefit becomes effective. The last time stamp on the data written to or erased from the Equipment must be later than the coverage start date, which is the day after the benefit

became effective, as evidence that there was no Pre-Existing Condition. You may also contact us for assistance in determining whether your Equipment is eligible for coverage.

**DEDUCTIBLE:** There is no deductible applicable to this benefit.

**SERVICES PROVIDED:** We agree to have services performed that are designed to retrieve, while minimizing the damage to, the personal media files and/or data on your Equipment in the event your Equipment fails to perform during the term of this benefit. YOU ACKNOWLEDGE THAT THE EQUIPMENT MAY BE DAMAGED PRIOR TO OUR RECEIPT, AND YOU FURTHER ACKNOWLEDGE THAT OUR EFFORTS TO COMPLETE THE SERVICES MAY RESULT IN FURTHER DAMAGE TO OR THE DESTRUCTION OF THE EQUIPMENT, WHICH MAY VOID THE EQUIPMENT OEM WARRANTY IF THE EQUIPMENT IS NOT A SEAGATE® DEVICE. To the extent possible, you should back up accessible data on your Equipment before submitting it for service. If the damage sustained to your original Equipment is covered by the OEM warranty, then the OEM may be responsible for providing you with a replacement device in accordance with the terms of the OEM warranty. **IMPORTANT:** Any services performed under this benefit is not a guarantee that lost data will be recovered; however, all reasonable efforts will be used to recover your data through methods further explained below.

Under this benefit, each of your Equipment devices is eligible for two (2) In-Lab Data Recovery attempts during the term of coverage and pursuant to these terms and conditions. Additionally, during the benefit term, you are limited to a maximum of six (6) In-Lab Recovery attempts for all of your Equipment. This benefit does not provide coverage for any of the losses set forth in the section titled “WHAT IS NOT COVERED”.

**IN-LAB DATA RECOVERY:** You will be asked to ship your Equipment or, if the data storage component of your Equipment is removable, to ship only the data storage component, to our designated laboratory facility to attempt the retrieval of personal data (“In-Lab Data Recovery”). When you ship your Equipment, or the data storage component of the Equipment, to the laboratory facility, you must use packaging that provides protection for your Equipment to prevent any further damage to the Equipment, or data storage component of the Equipment, during shipping. You are responsible for any risk of loss of the Equipment, or data storage component of the Equipment, until it is received at the designated laboratory facility. For more information, please contact us at 1-866-883-4981. We will pay the shipping costs associated with shipping your Equipment to the designated laboratory facility, as well as the cost of shipping your original Equipment and/or any other data storage media containing personal data recovered from your original Equipment back to you, as applicable. Upon receipt of your original Equipment at the designated laboratory facility, we will take the following action(s):

- a. **RECOVERY EFFORT:** We will attempt to recover lost personal data and files.
- b. **RETURN OF RECOVERED DATA:** Personal recovered data (if any) will either be loaded onto a media storage device or into a cloud-based data storage location, and returned to you. We are responsible for procuring, at no cost to you, either (a) the appropriate media storage device or (b) the cloud-based data storage location for a period of at least sixty (60) days. We, at our sole discretion, will provide the recovered personal data (if any) back to you on the media device of our choice.
- c. **ORIGINAL EQUIPMENT RETURN:** If, at the time of making the initial data recovery claim, you request that we will return your original Equipment to you, we will do so. **NOTE:** Data recovery efforts utilized during the In-Lab Data Recovery Service may render the original Equipment

inoperable. This benefit does not provide coverage for the repair or replacement of your Equipment.

- d. **SOFTWARE INSTALLATION:** You may need to reinstall software to your Equipment or your replacement media device. Installation or re-installation of any and all software shall be your responsibility and is not covered under this benefit.
- e. **DISPOSAL OF YOUR DEFECTIVE EQUIPMENT:** Because data recovery efforts utilizing the In-Lab Data Recovery Service typically renders your Equipment inoperable, your original Equipment will be subject to secure disposal following an In-Lab Data Recovery attempt, unless you request that we return the inoperable original Equipment back to you at the time of making the initial data recovery claim. To the extent possible, you should back up accessible data on the Equipment before shipping it to our laboratory facility for an In-Lab Data Recovery attempt.

**UNRECOVERABLE DATA:** In some cases, personal data may not be recoverable. In such instances, we will return your Equipment to you and we shall then be discharged from any further obligations under this benefit.

**WHAT TO DO IF YOUR EQUIPMENT REQUIRES SERVICE:** Call us at 1-866-883-4981 and explain the problem. You will be instructed on the next steps for filing a claim under this benefit. We will confirm your employment with the Sponsor Company and you may be required to provide proof of ownership of the Equipment. Sponsor Company owned Equipment may require authorization from the Sponsor Company before receiving service. NOTE: THIS BENEFIT MAY NOT PROVIDE COVERAGE IF YOU MAKE UNAUTHORIZED ATTEMPTS TO RETRIEVE THE DAMAGED OR LOST DATA (SEE "WHAT IS NOT COVERED" BELOW). Service will be provided during normal business hours only.

**TERM OF COVERAGE:** Coverage dates are listed in your confirmation page and subject to the terms and conditions stated herein.

**LIMITATION OF LIABILITY:** The following clause applies to the maximum extent permitted by the applicable law. We shall not be liable for any harm caused to your Equipment (unless proven that such harm was caused intentionally); including any consequential voidance of an OEM warranty resulting from services performed on your Equipment in accordance with the terms and conditions outlined in this benefit. Without limiting the generality of the foregoing, we will not be liable for the condition, existence, or loss of the data you send us or the data we recover (if any), any loss of revenue or loss of profits, or any indirect, special, incidental, or consequential damages, however caused. To the maximum extent permitted by applicable law, this limitation shall apply to any and all damages, regardless of the legal theory on which they are asserted (including, without limitation, contract, breach of contract, and tort), and regardless of whether we have been advised of the possibility of loss or damages - unless you prove that we caused damages to you intentionally.

This benefit shall be considered fulfilled in its entirety, and we shall be discharged from any further obligations under this benefit, in the event we have rendered service for six (6) claims for the In-Lab Data Recovery Service during the benefit term.

To the maximum extent permitted by applicable law, our maximum liability in connection with all claims processed pursuant to the terms and conditions of this benefit shall not exceed \$1,200 (the "Maximum Liability Limit") for the benefit term. In the event the aggregate sum of all claims processed under this benefit equals \$1,200 during the benefit term, our obligations under this benefit shall be considered fulfilled in their entirety and we shall have no further obligation. In no event will be liable for any damages whatsoever that are in excess of the Maximum Liability Limit, whether based on contract, tort, warranty

or other legal or equitable ground, including without limitation damages for loss of data, property damage, lost time, loss of business profits, business interruption, or other pecuniary loss, or incidental, consequential or indirect damages arising from the services performed pursuant to this benefit. This limitation will apply even if we, or any of our respective authorized entities, affiliates, dealers, agents, suppliers, or representatives have been advised of the possibility of such damage.
